Secondary School Application Forms

Dear Parent/Carer,

Just a little reminder that **midnight on Saturday 31st October** is the deadline date for parents to make an application online to Buckinghamshire Council for your child's **Secondary School place**. We must stress to all parents the importance of meeting this deadline as failure to do so may disadvantage your child as they will lose the opportunity to be considered in the first allocation round. This may affect your child's chances of being allocated their preferred school.

Transfer Test results will be available on Friday 9th October so you will be able to amend or add preferences to your application to include a school for which your child has qualified if you have not already done so before the deadline of 31st October. If you do not live in Buckinghamshire please check the arrangements in place at your own Local Authority.

If you have registered, you will receive an email you with your child's Transfer Test result on 9th October from 4pm onwards. The results email will also advise on the next steps depending on whether or not your child has reached the qualifying score to be considered for a Buckinghamshire grammar school. If you have any difficulties accessing the system or if you do not receive a confirmation email (please check your spam/junk) then please contact <http://www.buckinghamshire.gov.uk/contact-admissions>.

Parents are advised that if you have not registered to receive the Transfer Test result via email, the earliest that this information would be available is from Monday 12th October via the school office.

Yours sincerely,

Mrs Samantha Dimbleby
