*Our vision is 'Let your light shine'. The rainbow symbolises God's unconditional love for each individual. We seek to reflect that light in all we do: in our community, both local and wider, in our communication, both word and action, with curiosity and courage, and with care and compassion for everyone, inspiring a love of learning.*

Dear Parents and Carers,

This week we have had several visitors to the school, including Bucks School Improvement Advisors and SIAMS inspectors, and it has been wonderful to see children engaged in purposeful learning activities. Our visitors have commented on the calm learning environments, positive learning behaviours and kindness the children show towards each other.

Our focus value this half term is 'Love to learn'; we aim to provide a rich and exciting learning environment and experiences so that all our children become life-long learners at Winslow School and of course all of this starts with our very youngest children in Rainbows. Last term the very kind donations from the Masons, the Phyllis and Wally Locke Trust Fund and the Town Council enabled us to fund the most wonderful Pirate Ship. This week our children in our Rainbow Pre-school dressed up as pirates and welcomed the generous donors who funded the pirate ship to officially thank them. Parents were also invited and everyone enjoyed the children's performance where they sang a number of 'pirate themed' songs. Fortunately the rain stayed away so the children were able to play outside while the parents and visitors watched them while enjoying tea and cake.

Children in key stage one and lower key stage two enjoyed their cricket taster sessions at North Marston Cricket Club yesterday. The children got the opportunity to practice skills in throwing and catching, bowling and batting through a series of fun games and came back to school enthusiastic about their experience. Thank you for your contributions towards the cost of the coach to enable this wonderful opportunity to happen.

The school's SIAMS Inspection took place on Thursday. The inspection is an opportunity to highlight the impact that the school's distinctive Christian vision has on the flourishing of the whole school community. The outcome of the inspection remains confidential until the report is published in a few weeks' time. We look forward to sharing the report as soon as we can.

Thank you for your continued support – enjoy the bank holiday weekend!

## School Coronation Celebrations

On the afternoon of Friday 5th May we will be holding a King's **Coronation "Street Party"** on the playground for the whole school. Your child will be bringing a plate with a short note on it specifying the foods we are requesting each child to bring in to share with their class at the party. We ask that you check that any cakes and biscuits sent in are nut free. Please send the plate with the requested food into school with your child/ren on **Friday 5th May**. Thank you in advance for your support with this.

We are also planning some entertainments for the children to watch and enjoy as they share the tea party food. **Children are able to come to school on the day wearing red, white and blue.**

Please also see the attached information from the Winslow Big Society about events happening over the weekend in Winslow for the whole family to get involved in.
