Year 1 Phonics Screening Check Information Session

Dear Parent and Carers,

We are delighted to be holding a 'Phonics screening check information session' for parents and carers of children in Year 1 on **Wednesday 1st May 2024**. This session will take place in the school hall at **2.45pm** and should last 30 minutes with time provided for any questions or queries that you may have.

The session will inform you of why we administer the screening check in Year 1, how it is administered and how you can best support your child in the lead up to the screening check which takes place in June. Following on from the meeting, your child will be allocated a resource pack for you to work through with them at home in order to build their confidence and familiarity with concepts alongside the preparation taking place in school.

Thank you for your continued support in working alongside us to support the early reading development of your child. We are very much looking forward to seeing you at the session.

Please do not hesitate to contact us should you have any further questions or queries.

Kindest regards,

Miss Allen (Assistant Head of EYFS & KS1), Mrs Burman and Miss Ayrey.
