

Our vision is 'Let your light shine'. The rainbow symbolises God's unconditional love for each individual. We seek to reflect that light in all we do: in our community, both local and wider, in our communication, both word and action, with curiosity and courage, and with care and compassion for everyone, inspiring a love of learning.

Dear Parents and Carers,

This term the children have continued to demonstrate enthusiasm and positive learning behaviours. Buckinghamshire School Improvement Advisors have carried out monitoring visits over the last couple of weeks and we have been excited to share our curriculum developments and progress linked to the school improvement priorities.

We were particular pleased to share the changes and developments to our Early Years provision. Our visitors have recognised that the children's play within the provision is purposeful with carefully planned activities through the continuous and enhanced provision. The children were observed to deepen and develop ideas; the 'Master Chef' competition that the children had recreated in the home corner was a particular highlight! They were also impressed to see the children recreating their knowledge of the local area in the construction area following their walk to the arboretum the previous day.

Elsewhere in the school, learning walks have focused on quality first teaching in writing and maths. Once again, the children were observed to be engaged in purposeful learning activities. Our children always enjoy sharing their writing with others and are proud of their achievements across the curriculum. Later this term there will be an opportunity for parents and carers of KS2 children to attend a Maths Information Session before joining the children in one of their maths lessons. The date for this has been added to the calendar of events below and we will share more information with you in due course.

Slapped Cheek

We have been made aware of several cases of slapped cheek across the school. Slapped cheek syndrome is caused by a virus which spreads by coughs and sneezes or by touching contaminated objects. It is hard to avoid spreading slapped cheek syndrome because most people do not know they have it until they get the rash. You can only spread it to other people before the rash appears. Children do not have to stay off work or school after the rash appears. To reduce the risk of spreading the virus:

- wash your hands often with water and soap
- use tissues to trap germs when you cough or sneeze
- bin used tissues as quickly as possible

Please inform the class teacher or Mrs Knapman in the school office if you believe your child has slapped check syndrome. This will ensure we are able to manage any potential risks to members of staff who may be a greater risk if they come into contact with anyone with slapped cheek.

Thank you for your continued support and understanding. Have a lovely weekend!

Mrs Samantha Dímbleby Headteacher

Accelerated Readers

The following classes have been awarded the Reading Trophies this week for completing the most Accelerated Reader Quizzes:

2AA
3BB
4KF
5FG
6KEP

What is Accelerated Reader?

When children have finished the reading schemes, they become 'library readers' and are allowed to borrow two books. At this stage they will start to use 'Accelerated Reader' to help them choose a book. When they have read it they will complete a quiz to check that they have understood it.

Children who use Accelerated Reader (mostly Y2 upwards) can now do their quizzes at home. Please use this link: <u>Accelerated Reader Quiz</u> Children login using their first initial and first four letters of their surname as their username and their library number as their password.

Tips for using Accelerated Reader at home

In addition to books from school, many books you have at home may have quizzes available, just type the title of the book into the quiz search box. Children can also do vocabulary quizzes, and quizzes on the articles available on the Accelerated Reader website.

More information about our library, including how to volunteer can be found on our school website by clicking here.
