Headteacher: Mrs Samantha Dimbleby BA (Hons)

To all Parents and Carers

I would like to remind all parents and carers that the school grounds should not be used for parking while picking children up at the end of the school day. While I appreciate that some parents have accessibility requirements, the number of cars parking in school has increased significantly to the point that it is now dangerous for our children and community.

Only parents who have received permission with me are permitted to park on the school site. Please note that if you do need to come on to the site, do not remove the cones that have been put out. These are there for the safety of the children around the footpath. Similarly, if you enter the school and have to open the school gates, please also close them on the way out. Not doing so puts all our children at risk.

Thank you for your understanding.

Mrs Samantha Dimbleby
Headteacher
