*Our vision is 'Let your light shine'. The rainbow symbolises God's unconditional love for each individual. We seek to reflect that light in all we do: in our community, both local and wider, in our communication, both word and action, with curiosity and courage, and with care and compassion for everyone, inspiring a love of learning.*

Dear Parents and Carers,

It has once again been a week full of learning and curriculum enrichment opportunities. In Collective Worship on Monday, children from Key Stage Two who have been learning to play the guitar, performed to the rest of the school. We were all really impressed with the children's confidence and ability and would like to thank their teacher, Mr Allen, and the children's parents for their support. A letter about all Peripatetic Music Lessons for Key Stage Two was sent out via Parent Mail earlier this week with information about the different instruments we are currently able to offer. If you have any questions, please do not hesitate to let us know.

We also held our very own 'Winslow's Got Talent' show this week where finalists from across the school performed for the whole school. Members from the Junior Leadership Team, with the support of Mrs Burman organised and judged the performances. Congratulations to all the children for participating in both the auditions and the final. Everyone enjoyed watching the performances which included singing and dancing, gymnastics, comedy and musical performances. The winners of the Winslow's Got Talent Final 2024 were:

1<sup>st</sup> Place: Halle B

2<sup>nd</sup> Place: Rudy T

3<sup>rd</sup> Place: Sebastian P

We were thrilled this week to accept a number of donated laptops from Jack Marshall-Deane and the Ellucian Donation Programme. We have worked with Jack in the past and being part of this programme helps keep up our IT up to date while reducing the amount spent on IT hardware. Thank you Jack, it is really appreciated.

You should have now received a ParentMail informing you of your child's new teacher for September 2024. I hope the children are looking forward to spending the morning on Tuesday in their new classroom, getting to know their teacher, Learning Support Assistants and their new learning environment. The whole school list of Teachers and Learning Support Assistants can be found at the end of this newsletter.

I wish all of Year Six good luck as they visit their various secondary schools next week and look forward to hearing about their experiences.

Thank you for your continued support – have a lovely weekend!

## Parking and Site Safety

Thank you for your support to make the changes to parking at the end of the day successful. I am sure you will agree that this had made a significant difference to the safety of everyone. Please remember to be considerate when parking on the roads surrounding the school and continue to remind your children about road safety as we have been made aware of some dangerous behaviour on the way to and from school.
