Our vision is 'Let your light shine'. The rainbow symbolises God's unconditional love for each individual. We seek to reflect that light in all we do: in our community, both local and wider, in our communication, both word and action, with curiosity and courage, and with care and compassion for everyone, inspiring a love of learning.

Dear Parents and Carers,

It has been another exciting week and the children enjoyed spending the day in their new classrooms, with their new teachers and Learning Support Assistants on Tuesday. Thank you to all the parents and carers who were able to attend the Transition Meetings. The information from these meetings is available on Class Dojo for those parents who were unable to attend.

On Monday, 24 children from across Key Stage Two took part in District Athletics at Stoke Mandeville Stadium. Achieving 6th place overall, we were incredibly proud of all the children for their sportsmanship, determination and resilience. The children really let their light shine and thoroughly enjoyed the experience. I would like to say a huge 'thank you' to Mrs Burman for coaching the children and organising them for the events and for all the staff and parents who came to support and encourage the children.

I would like to take this opportunity to say an enormous thank you to the FOWS Team, and parent and staff volunteers for the incredible Summer Fete that took place last Saturday. The event was a huge success, and the money raised will be spent on improving the resources and experiences for all of our children. This event would not have been possible without the commitment of the FOWS Team and the support of staff, parents and carers; we very much appreciate the dedication and hard work that takes place to prepare for these events and look forward to updating you with details of how the money will be spent.

End of Year Report will be sent home with your child today. We are so proud of the progress all the children have made throughout the year and their report highlights their achievements and successes. We hope you enjoy reading this report and that the information is useful to you. If you would like to further discuss your child's report, please contact your child's teacher or arrange a telephone or face-to-face conversation via the school office.

We look forward to seeing you all at our Sports Days next week. FOWS will be selling Tea/Coffee/Cold drinks with cakes and croissants whilst you watch your children take part. Please remember it will be cash only.

Thank you for your continued support – have a lovely weekend!

Return of library books

We have reached the time of year, when sadly Mrs White has to collect in all the library books. All books are due back next week on your child's usual library day. This only leaves a week to chase up any missing books and send out bills. This has been left as late as possible, so please check that your child has her/his book/s with them on the appropriate day.

When children have returned their books they will be allowed to choose a second-hand book to take home and keep. If you would like to check which books your child has on loan please go to: <https://u004507.microlibrarian.net/>

You can log on using your child's library number as their username and again as their password. Most children from Y2 upwards know their library number, but if you have any questions about your child's loans please feel free to email: JWhite@winslow.bucks.co.uk

Many thanks for your help with this.
