Dear Parent/Carer

Free School Milk entitlement for pupils aged 3 to 5 years

I am pleased to advise you that all pupils between 3 and 5 years of age are eligible for free milk.

Under the Department of Health Nursery Milk scheme, all children under five years old attending school for two hours or more a day are entitled to receive, free of charge, 189ml (one third of a pint) of milk each day. We will provide semi-skimmed milk.

If you would like your child to receive free milk each day, please complete the slip at the bottom of this letter and return it to the school with your admission forms.

If you choose for your child to receive milk it will be provided for the whole of the term. You then have the choice to remain in the scheme for the following terms or opt out at the end of each term by writing to the school.

Please note that the free milk entitlement will automatically stop on the day of your child's 5th birthday.
