Guitar and Ukulele Lessons – Mr David Allen

David Allen is an experienced guitarist and teacher who offers individual and group lessons on the guitar and ukulele during the school day. He has recorded and performed in many different genres including classical, jazz, funk, folk, rock and pop and teaches all these styles to his students.

Students in their first year of learning an instrument benefit most from group lessons, however, as they progress, Mr Allen may recommend individual lessons for some pupils. The option to learn electric or bass guitar is offered, but a foundation of classical guitar is recommended first.
