Secondary Transfer Meeting for Parents of Pupils in Year Five

Dear Parents/Carers,

The Secondary Transfer Meeting for Year Five parents will take place on **Tuesday 12th May at 5:00pm** in the school hall. During this meeting, important information about the following will be shared with you:

- Applying for a secondary school place - When to apply, how to apply, things to consider when applying, how the process works, National Offer Day, waiting lists and appeals
- The Secondary Transfer Test (11+) - Timeline, test dates, what the test measures, familiarisation and practice, the testing process, how it is marked, Selection Review and Non-qualified appeals
- Additional information about secondary transfer and applying for a school place
- How to Contact the Admissions Team

The Secondary Transfer Test is a test to determine whether or not a child is suited to a Buckinghamshire grammar school. Your child will automatically be entered for the test as they attend a Buckinghamshire School.

It is not always in the interests of a child to be tested and in such instances parents might consider whether they wish to withdraw their child from the testing process. The test is not compulsory and therefore parents can ask that their child does not sit the test, if they think that would be better for their child.

I look forward to seeing you all at the information evening on Tuesday 12th May at 5:00pm where there will also be the opportunity to answer any questions you might have about secondary transfer and applying for a secondary school place.

Kind regards,

Mrs Samantha Dimbleby
Headteacher
