### **Pupil Fundraising Day - Thursday 2<sup>nd</sup> July**

Dear Parents and Carers,

We are excited to let you know about our upcoming Pupil Fundraising Day, which will take place on **Thursday 2nd July**. Please note this date is different to the one sent out on the calendar of events.

This special day is designed to give all our pupils the opportunity to develop and apply their numeracy skills, including budgeting, calculating profit and loss, and handling money in a fun and practical way. They will also learn key life skills such as working co-operatively, planning, decision making and being resourceful.

Each year group is already busy planning their own fundraising idea with a small budget to fund any resources they need to buy, and will be responsible for setting up and running their own stall, offering a range of items or activities for their peers to enjoy.

We would be very grateful for your support by allowing your child to bring a small amount of money in a purse, bag or envelope, with them to school on the day. Where possible, please send them with a **variety of coins**, as this will help them practice giving and receiving change - an important part of the learning experience.

We are looking forward to an enjoyable and educational day that will benefit all pupils, and we thank you in advance for your continued support.

Who knows, we may have some budding entrepreneurs on our hands!

Mr Corey McConnell

Maths Subject Lead & Year 6 teacher
